Preface

The 1990-91 *Directory of Education* is a comprehensive listing of publicly supported schools, school boards, and education officials. A key to the layout and abbreviations used in the directory may be found on pages vi and vii.

The directory is divided into seven sections. The first section provides a list of Provincial Schools; the other sections are devoted to the various regions. Each regional section includes the address of the regional office of the Ministry of Education, a list of the ministry officials in the regional office, and a regional map. Also included in the directory are maps, on pages xv to xviii, showing the jurisdictional boundaries of larger school boards. An appendix on pages 286 to 288 provides a list of colleges and universities.

The present directory was compiled from data submitted by the school boards in the 1990 School September Report and the 1990 September Board Report and reflects as accurately as possible the information contained in those reports. The figures showing the number of staff members and students are those for the 1990-91 school year.

The number of staff members represents only full-time teachers.

Préface

L'*Annuaire de l'administration scolaire* de 1990-1991 donne la liste complète des écoles subventionnées par les fonds publics, des conseils scolaires et des responsables de l'éducation. On trouvera aux pages vi et vii de l'annuaire une présentation de la disposition typographique ainsi qu'une liste des sigles.

Cet annuaire comporte sept sections. La première présente la liste des écoles provinciales; les autres sections portent sur les diverses régions de l'Ontario. Ces dernières sections comprennent l'adresse du bureau régional du ministère de l'Éducation de la région donnée, la liste des fonctionnaires régionaux du ministère et une carte de la région. L'annuaire contient également des cartes, pages xv à xviii, indiquant les limites des circonscriptions scolaires les plus importantes. On trouvera aussi, aux pages 286 à 288, une annexe donnant la liste des collèges et des universités de l'Ontario.

On a établi l'annuaire à partir des renseignements fournis par les conseils scolaires dans les rapports de septembre 1990 des conseils et des écoles en étant aussi fidèle que possible à ces renseignements. Le nombre d'éducateurs et d'élèves s'applique à l'année 1990-1991.

Le nombre d'éducateurs représente seulement les enseignants à plein temps.
